Dear Bob:

Please accept my thanks, along with the thanks of the Victoria community, for your efforts to make the Victoria Emergency Operations Center a need fulfilled. Our new EOC will undoubtedly serve as a valuable resource to the local and regional response and recovery community for years to come.

Looking back over the course of the last year, I am left with a sincere appreciation for the hard work and dedication to quality that you and the rest of the A & A team have consistently displayed. The final product is truly a testament to your abilities, as well as your willingness to go the extra mile.

Please extend my appreciation to the entire A & A Constructors team, but also specifically to Mark, who was an excellent partner to us while serving as a responsible ambassador for your company. Best wishes to you in the future.

Warmest regards,

Donald R. Pozzi
